VERIFIED STATEMENT

Sir/Madam:

Applicants claimed Small Entity status at the time of filing the above-identified patent application. However, the small entity claim was an error made in good faith that arose under the following circumstances.

The undersigned recently inquired about the level of control and ownership exerted by Peak Plastic and Metal Products (International) Ltd. (hereinafter Peak Plastic) on its processing partner in China. It was determined in August that since Peak Plastic is paying the contract workers in China directly that Peak should include the contract workers in the count of employees working for Peak. Peak Plastic previously thought it was a small entity because it did not consider the contract workers working in China as its employees. Please correct the Patent Office records to reflect the status of Peak Plastic and Metal Products (International) Ltd. as a Large Entity.

Applicant is filing simultaneously herewith a Deficiency Payment Submission and Itemization pursuant to 37 CFR §1.28(c)(1) and (c)(2) *et seq.*

Dated: 10/28/04

Peak International Ltd.
